## AIRPORT INFORMATION

**How many bags are we allowed to take?**

### Baggage Allowances - BA

#### **Checked Baggage**

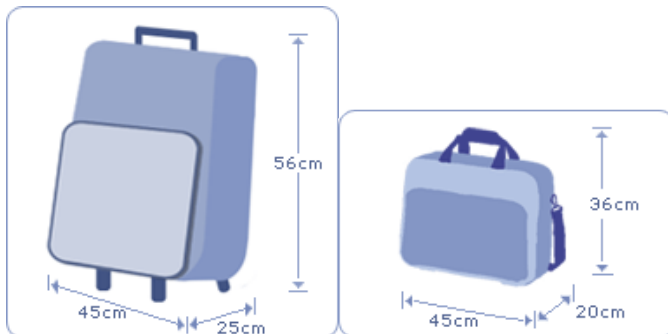

Each passenger is able to take one checked/hold luggage of 23kg.

The maximum dimensions of the bag are:  
90cm x 75cm x 43cm (35.5in x 29.5in x 16 in), including the handle, pockets and wheels.

#### **Hand Baggage**

- You are allowed one piece of hand baggage plus a laptop or handbag.
- A 23kg (51lbs) maximum bag weight applies and you must be able to lift the bag unaided into the overhead lockers in the aircraft cabin.
- Please see below for sizes.

- Your main piece of hand baggage is up to the dimensions **56cm x 45cm x 25cm** (22in x 18in x 10in), including the handle, pockets and wheels.
- Your bag must fit into the bag gauge, available at the check-in area.
- Your laptop or handbag is up to the dimensions **40cm x 30cm x 15cm** (16in x 12in x 6in), including the handle and pockets.
- Your laptop or handbag must fit under the seat in front of you.

Occasionally you may not have space to stow all hand baggage safely on the aircraft and you may be asked at the boarding gate to check some or all of your hand baggage into the hold. If the baggage is within your permitted allowance, you will not be charged for extra baggage.

#### **Specific restrictions on liquids**

Due to the development of Liquid Detection Systems (LEDs), the European Commission has revised the requirements for the screening of liquids, aerosols and gels. Containers will still need to include no more than 100ml of liquid and all liquids should be carried in a single, transparent, re-sealable plastic bag of up to 20cm x 20cm (8in x 8in) with a total capacity of up to a litre.

#### **Please note:**

- All liquids, aerosols and gels must be presented separately from other hand baggage items at security screening points.
- The tasting/testing of liquids, aerosols and gels on the skin will no longer be recognised as a method of screening. Liquid medicines carried outside of the one litre bag still require a doctor's note or prescription.
- For airports outside of the EU and UK, existing policies continue.

**NB Baggage allowances are subject to change due to security measures, for the most up to date information please visit: <http://www.britishairways.com/en-gb/information/baggage-essentials>**
